Fringe meeting Climate Change Campaign 13.30-15.00 13.10.2006

Agenda

1. How campaign has worked and what should be improved

Feedback is needed to make our campaign better. What you think? What has been successful and what needs rethinking? (Short campaign report attached)

2. Agenda for 2006

4.11 International Climate Action day

8.- 9.11 Green/EFA Group in European Parliament organizes Energy & Climate Change conference "Empowering people for sustainable energy" (Draft program attached)

3. Continuation of the campaign 2007-2009

- EGP Council meeting on Sunday will decide on a continuation of the campaign as part of the Common European Election campaign as "Energy and Climate Change campaign" (Proposal attached)

14.20 - 14.50 Update on European Energy policy

Claude Turmes, MEP, Luxemburg

14.50 - 15.00 Swiss instruments to move transport from road to rail

Georges Darbellay, Grüne/Les Verts, Switzerland

Stop climate change.
Play your part.
